

Helping companies transform and grow into the Energy services businesses of the future.

We focus on integrating renewable energy, lowering emissions, increasing energy efficiency and other improvements to existing energy infrastructure.

Portfolio case study:

How TWMA is transforming drilling waste into a valuable commodity

How can I change my Buckthorn Partners cookie settings?

Some essential features on this site just won't work without cookies. And having other cookies switched off can seriously affect the way you'll be able to enjoy our services.

Please check your cookie settings below and turn on any cookies you're happy with.

"Strictly necessary" cookies are on by default but can be turned off in your browser settings. Further information about managing cookies can be found in your browser's help file or through sites such as www.allaboutcookies.org.

Functional and Performance cookies can be turned on or off below and your preferences are automatically saved. You can learn more about cookies and what they do on our other pages.

Strictly necessary cookies

☒ These cookies allow the website to remember the choices you make to give you better functionality and personal features.

Functional cookies

☒ These cookies also allow the website to remember choices you make to give you better functionality and personal features, and are used in security and metrics applications.

Cookies may be placed on your computer or internet-enabled device whenever you visit us online. This allows the site to remember your computer or device and serves a number of purposes.

On some of our web sites, a notification banner will appear requiring your consent to collect cookies. If you do not provide consent, your computer or internet-enabled device will not be tracked for marketing- related activities. A secondary type of cookie referred to as "user-input" cookies may still be required for necessary functionality. Such cookies will not be blocked through the use of this notification banner. Your selection will be saved in a cookie and is valid for a period of 90 days. If you wish to revoke your selection, you may do so by clearing your browser's cookies.

Although most browsers automatically accept cookies, you can choose whether or not to accept cookies via your browser's settings (often found in your browser's Tools or
